SUPPORTING OUR COMMUNITY IN THE WAKE OF THE PALISADES, EATON, AND HURST FIRES

At **Easy Automotive**, our hearts go out to all the victims of the recent Palisades, Eaton, and Hurst fires, which have had such devastating effects on our neighbors in the **Los Angeles community.**

As a small way to give back, **we'd like to partner with our customers to support those affected.** From February 10th-14th, a portion of labor charges from any repair or service visit will be donated to organizations providing relief to fire victims.

If you're unable to make it in but **still wish to show your support**, we encourage you to consider donating to the following organizations, who are doing incredible work to provide relief:

- **American Red Cross** Call 1-800-RED-CROSS, text RED-CROSS to 90999, or visit www.redcross.org providing shelter, food, medical care, and long-term recovery support.
- **United Way of Greater Los Angeles** Visit unitedwayla.org to donate. Addressing urgent needs including support for low-income individuals, the homeless, and small businesses that have been affected.
- **Pasadena Humane** Visit pasadenahumane.org. Pasadena Humane has taken in over 150 stray animals and is working with shelters across the country to provide care and reunite local pets with their families.
- **Los Angeles Fire Department Foundation (LAFD)** Visit lafd.org/foundation. Supporting the Los Angeles Fire Department providing essential resources for fire response and prevention
