JANUARY JOURNEYS: KICKSTARTING THE NEW YEAR AT EASY AUTOMOTIVE!

CHEERS TO A BRIGHT NEW YEAR AT EASY AUTOMOTIVE!

Happy New Year, dear friends! As we embrace 2025, everyone at Easy Automotive wants to take a moment to express our heartfelt gratitude for making 2024 such a remarkable year. Your trust and support have been the foundation of our success, and we couldn't have done it without you!

January has ushered in that refreshing crisp air, reminding us to give our vehicles a little extra TLC as winter settles in. It's the perfect time to ensure your car is ready for those chilly drives—checking your battery, tires, and fluids will help keep you safe and sound on the road.

We're truly excited about what this new year has in store and can't wait to continue our journey with you. Here's to another year filled with adventures, laughter, and smooth rides!

Warmest wishes,
The Easy Automotive Team

COMMUNITY SPOTLIGHT

marin humane | Lives made happy.

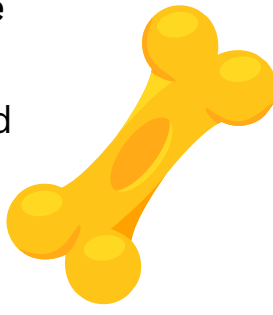

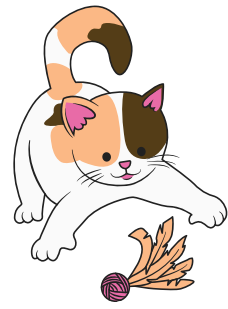

Supporting Marin Humane this January!

At Easy Automotive, we believe in giving back to our community, especially to our furry friends! Marin Humane is a wonderful non-profit organization dedicated to transforming lives through exceptional animal care, education, and advocacy. They work tirelessly to find loving homes for animals in need and provide essential services to pet owners.

As we enter this season of giving, it's important to remember that many pets received as gifts during the holidays often end up in shelters afterward. To support Marin Humane's mission, Easy Automotive is encouraging our community to help prepare for the upcoming season.

For every donation made from Marin Humane's wish list, you'll receive 15% off your next service or repair at Easy Automotive. Let's come together to make a difference for the animals in our community!

"I used to take my Tundra to the dealerships, they charged insane amounts and took forever to finish any work. Then I found Easy Automotive. Their staff is very attentive, their prices are more than reasonable and I've always had a positive experience. I'll never bring my truck to the dealerships again. Easy Automotive now has a customer for life, I highly recommend."
