

AS SUMMER HEATS UP, EASY AUTOMOTIVE IS HERE TO HELP KEEP YOU SAFE AND COMFORTABLE ALL SEASON LONG!

5 Common Repairs We're Seeing This Summer—And How to Avoid Them

Summer heat can take a serious toll on your vehicle, and we're seeing the same issues pop up again and again in the shop. **Overheating engines** are a big one—often caused by low coolant or a neglected radiator. We're also **replacing more car batteries** than usual, thanks to high temps draining battery life faster. **Worn-out brake pads, A/C failures, and tire blowouts** are rounding out the list. The good news? Most of these are **preventable with simple maintenance**. Be sure to get your fluids checked, have your battery tested, inspect your brakes, and keep an eye on tire pressure. A **quick visit now** can save you time, money, and stress later—especially when you're counting on your car for summer road trips.

GET INVOLVED: HELP KEEP MARIN BEAUTIFUL!

Looking for a fun and meaningful way to give back? We encourage our customers to check out the volunteer opportunities with Marin Water! From restoring local habitats to helping maintain trails and native plants, it's a great way to connect with nature and your community.

Here are just some of the ways you can get involved :

- **Habitat Restoration:** Help remove invasive plants and restore native ecosystems in local watersheds.
- **Trail Maintenance:** Join a trail crew to keep Marin's hiking paths safe and enjoyable for everyone.
- **Native Plant Care:** Assist in planting and caring for native species that support local wildlife.
- **Watershed Cleanups:** Participate in efforts to keep our creeks and reservoirs clean and healthy.
- **Group Volunteer Days:** Gather your family, friends, or coworkers for a rewarding day of outdoor service.
