SUPPORT LOCAL: OUR FAVORITE SMALL BUSINESSES IN SAN RAFAEL

May is National Small Business Month, and there's no better time to show some love to the amazing local businesses that make San Rafael such a great place to live and work. As a local auto shop, we know firsthand how much heart and hustle goes into running a small business—and we're proud to be part of a community full of them!

This month, we're shining a spotlight on a few of our favorite local gems. Whether you're grabbing a coffee, picking up a gift, or planning a weekend adventure, check these folks out and show your support:

☕ Red Whale Coffee

Start your day right with a fresh brew from Red Whale. These folks are serious about their coffee, and it shows. Great beans, good vibes, and even better lattes.

🌱 Soul Food Farmstand

Tucked away in the heart of Marin, this charming little stand is a great spot to grab fresh produce, flowers, and homemade goods. Perfect for weekend wandering.

🍔 Phyllis' Giant Burgers

It's all in the name. Big burgers, big flavor, and a loyal local following. A San Rafael staple that's been feeding hungry bellies for decades.

🚗 **And of course... your favorite local auto shop (that's us!)** Whether you're due for maintenance or just want to stop in and say hi, we're here for all your car care needs.

"Recently, I had a major service where they replaced my timing belt and water pump, and I couldn't be happier with the results. My car has never run better! Just today, I had a simple oil change, and once again, they delivered top-notch service, finishing the work right on schedule."
